

NEVIS

“Queen of the Caribees”

LEAVING SATURDAY, MARCH 24TH, RETURNING SATURDAY, MARCH 31TH 2012

There's something about this small, sombrero-shaped island that grabs you. The charm and tranquility takes you back you to a time when things were simpler, when life was more peaceful, when stress was just a word, not a way of life. This 36-square-mile island lies near the top of the Lesser Antilles archipelago, about 200 miles south of Puerto Rico, and just west of Antigua. This island is approximately 7 miles long and 5 miles wide, with natural vegetation that is unparalleled. Green and serene, Nevis is truly one of the remaining unspoilt places. From the top of the 3,232-foot Nevis Park to the depths of the clear waters offshore, there is a world of flora and fauna to be explored. Stroll around and see the architecture of eras one by churches, windmills, and refurbished Great Houses.

OUALIE BEACH RESORT in Nevis, is a quiet, off-the-beaten path type of hotel. Here is a link to website for both of the hotel and dive shop: www.oualiebeach.com and www.scubanevis.com What you do is fly into St. Kitts, and it's a 20 minute transfer by car to a boat that takes you straight to the resort (in about 10 minutes). It's very easy and having access to 2 islands gives everyone lots of touring and sightseeing options besides just diving.
