Grand Cayman Trip Tips

How do I sign up? Travel Arrangement Procedures

STEP 1: Arrange your own air travel, making certain that your flight is scheduled to land in Grand Cayman (GCM-airport code) **BEFORE 12PM** on the Friday of the training dives. If you plan to dive with the rest of us on Sunday, be sure your return flight is not scheduled before Monday. Most of our participants arrive on Thursday and leave on Monday or later. We consider ticket prices under \$450 (taxes included), “reasonable” during April-December and under \$500(taxes included) “reasonable” during Jan., Feb. and March. It is recommended to start monitoring ticket prices on line daily, approximately 6-10 weeks prior to your travel date until you find reasonable rates.

STEP 2: Be sure to provide us with your air travel itinerary as soon as your tickets are purchased, as well as your hotel room requirements (number of beds, name of persons rooming with you, indicating diver or non-diver) and your credit card number & expiration date. The hotel will apply a one-night room charge (plus tax) to your credit card as a deposit, you will pay the balance when checking out. Based on your information, SPE Dive School, LLC will reserve your hotel room, training dives, rental gear, van transportation (upon request) and lunch/dinner reservations.

STEP 3: Upon receipt of the above information, SPE Dive School, LLC will provide you with our “Cayman Trip Guide/Itinerary” which will be emailed to you or accessed on the “Travel” page of www.SCUBAedu.com. It is important for you to download, print, view and **bring the guide along to Cayman.**

STEP 4: Your \$150/\$250 Cayman dive-training deposit **MUST** be received **prior to our departure** for Cayman, otherwise you will be excluded from the group and all arrangements will be cancelled.
